SUMMER TWO THOUSAND EIGHTEEN NEWSLETTER

MESSAGE FROM THE BOARD OF DIRECTORS

After a great deal of deliberation, we have voted to resume our newsletter on a minimum of a bi-annual basis. Many had felt the information was only a duplication of the information contained on our web site; however, several members have expressed a desire and interest in receiving a mailer rather than limiting our information on the web. A copy of our newsletter will be posted on our web site at www.SDCLEF.com for those who prefer that method of communication.

With that being said, we have a lot of information to share with you. To begin, we offer our apologies for the slow actions and responses by the Board over the last several weeks. Our normal procedure is to replace or re-elect half of our Officers and Directors each year so that we always have 50% of the Board filled with experienced members. Due to a glitch, this year we ended up losing all of our Officers and half of our Board Members at the same time, which resulted in a slow down of processing membership renewals, etc. The good news is that we were able to complete the awarding of our Scholarships and Equipment Grants in a timely manner.

We feel this is also a perfect time to reach out to our General Membership to ask for your participation in filling some of the vacant position on the Board. While being an Officer or Director does require some additional time, the rewards of being on the ground floor of planning fund raising events, selecting scholarship recipients, evaluating equipment grant requests, etc. make seeing the end result

of the support the SDCLEF gives to our local Law Enforcement Agencies even more gratifying. If you are interested in becoming a Board Member, want more information or are considering volunteering for other activities, please contact Cal Turley at 619-933-9026 or cal@luthurley.com.

Thank you for your patience during our snafu and we are looking forward to hearing from you regarding your increased participation.
