Dear Mr. Stephens:

*GARY*

Thank you for your generous donation of \$2892.83 from the San Diego County Law Enforcement Foundation for a new sniper rifle system for our tactical team. This system will be made readily accessible to our sniper team for use in life threatening incidents such as active shooter and hostage rescue scenarios. The advanced optic system on this rifle will also allow our snipers to protect the team and victims by giving vital information as they approach a structure for rescue purposes.

Your foundation has been a great partner with our Department as well as the law enforcement community for numerous years. Thank you for your continued support!

Sincerely,

Ed Aceves  
Chief of Police
