Mr. Stephens,

It is with great satisfaction that I inform you and the committee I have graduated with my master's degree in Homeland Security from San Diego State University. If it was not for the organizations generous awarding of the scholarship, I may not have had this tremendous opportunity. I have been, and will continue to, utilize the education I received to improve and inform not just my organization, but all San Diego County agencies.

Again, thank you and I look forward to helping SDCLEF in its mission.

Best regards,
