Re: SDCLEF 2013 - Life-Saving Equipment Award

Dear Mr. Stephens,

Thank you for selecting San Diego Police Department for the 2013 Life-Saving Equipment Award. The Powerheart AED G3 Plus will help save lives during a cardiac event prior to EMS arriving on the scene. Included is the reimbursement claim with backup documentation for the purchase of the defibrillator. We will be providing you with a signed copy of the goods receipt when the back-ordered product has been received.

Thank you for your continued support. Please contact Jennifer Fung at (619) 531-2763 if you have any questions.

Sincerely,

Allegra Pajot
San Diego Police Department
Police Grants Manager
